Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection

Describe IT facilities including Wi-Fi with date and nature of updation, available internet bandwidth within a maximum of 500 word

Response:

Shri Eknathrao Sahadu shete Arts Commerce & Science college has very good IT facilities available for teaching learning, and administration. College continuously reviewed and upgraded the facilities including software, hardwares, internet connectivity, backup, and allied IT facilities to ensure better learning experiences. College has dedicated IT staff to cater to the need related to IT infrastructure and maintenance. Over the years, the institute has made several purchases to upgrade its software and hardware capabilities like number of computers, laptops, software, printers, scanners, LCD projectors, Xerox machines, internet, etc. An agency, shree Sai Enterprises Pvt. Ltd has been appointed to upkeep all IT and related facilities for efficient functioning of academic and administrative activities. The institute places a strong emphasis on keeping its IT facilities up-to-date and ensuring that there is sufficient bandwidth available for users.

The systems are connected with local area network, in that there are one Airtel lease lines with 1MBPS and 10MBPS speed. The institute pays and updates the AIRTEL lease line connections on yearly basis. All the computers are connected with LAN The institute has softwares. The College has three computer labs for UG students, ICT enabled seminar hall. The College library is partially automated with Library Manager 2.0 software. Library also provide computers for students to open or search books they want as open access sources. All the academic departments and administrative sections are equipped IT facilities for stakeholders. Most of the departments have Computers, Printers and LCD projectors. College has five dedicated servers for the smooth functioning of the office, library and computer science laboratories. College has Biometric access control for the teaching and non-teaching staff.

In 2019-24 the institution has acquired 38 HP desktop Intel core 2D40 processor, Intel chipset mother board 4GB RAM.320GB hard disk drive Monitor cabinet DVD ROM for its Computer lab.and DAC interfacing kit for 8051UC for computer science la In 2022-24 the institute purchased 25 computers of 6th intel core i5 processor intel motherboard,

DDR4/512 NVME 500/USB optical mouse and USB keyboard, Cabinet/ Win10 64bit 185 monitor from High-tech computers services Private Ltd. Nasik. Here out of 37 computers, 3 are installed in library

Introduction

Situated in the heart of the city of Nashik in 1.5 Hectares acres of campus area, the College stands self-contained with prestigious structures measuring at 4450sq.ft. This admirable infrastructural facility and the sound vision on which the Institution is built, Thousands of students have passed out of the portals of the College, carrying with them the aura and dignity of the Institution itself.

These former students today occupy enviable positions all over the district from industry, to teaching and caring for the under-privileged. There is no near college to our students because of village side area so our college is one of the option for this students and we full fill their Requirements about Education. In strengthening the core competencies, the College has been making steady progress. The College has a dedicated team of **13** faculty members who maintain academic excellence and about 450 (current year) students who are the anchor to sustain the vision of the Institution. The College has high standards of academic excellence and a constant zeal for continuous updating and renewal of skills and knowledge.

SESS Arts, Commerce & Science Sr. college Deolali camp, provides access to high-end infrastructure and IT services to students, teachers. The Technical IT Support Team maintains the policies governing the use of Information Technology services and resources at the College. The team also monitors the usage of the IT appliances and applications across the campus and give immediate support in case of any hardware, software or system related issues.

Need for IT Policy

The purpose of the IT policy is to maintain, secure, and ensure legal and appropriate use of Information Technology infrastructure established by the Institution. The policy aims to protect the confidentiality, integrity, and security of the information assets that are accessed, created, managed, and/or controlled by the College. The Information assets of the college include computer systems, network devices, software, intranet, internet services, IT appliances, Software applications and other IT related hardware and software related services. Objectives of IT policy

- To provide all required IT resources to all stakeholders as per academic guidelines laid down by UGC .
- To provide IT infrastructure that would enable the students, staffs and teachers identify opportunities, improve performance and understand IT environment resources.
- To introduce new technologies to students as per with industry standards and evolving advancements.
- To ensure an effective annual maintenance plan which ensures maximum up time of systems and devices.
